How to Start Commodity Trading

You can trade in your account by three modes:

- By using Online Trading Terminal
 - Web Based
 - Meta Trader 5
- By giving orders to our traders through local phone lines.
- By using self-desktop computers at our trading hall.

How to Deposit and Withdrawal Funds

Following is the mechanism to deposit and withdrawal funds from your trading account:

Client Funds Deposit

1. The client will deposit funds in the following PMEX's bank account through online banking (IBFT) or cheque.

Bank	Meezan Bank Limited
Account Title	Pakistan Mercantile Exchange Limited
Branch Code	0107
Account No.	0103648355
IBAN	PK08MEZN0001070103648355
Beneficiary Email (If available)	funds@pmex.com.pk

2. After Funds are deposited in PMEX bank account, the client will place a funds allocation request in the client portal. Transaction ID or cheque number will be required at the time of initiating funds allocating request.
3. In case of deposit through cheque, scanned copy of the cheque along with the deposit slip shall be emailed to the exchange at funds@pmex.com.pk from client's registered email.
4. Funds deposited through cash or any bank account other than the account included in client's profile strictly prohibited. In case of such deposits, reversal may take substantial time.
5. The funds allocation request (through online transfer and cleared cheques) received during banking hours will be executed on the same day. The request received after banking hours will be executed on the next working day.
6. The client and broker can view the status of funds allocation request by accessing reports in their respective portals i.e Client Portal and CSR.

7. The client and broker will be notified of the initiation of funds allocation request by the client and approval or rejection of funds allocation request by the exchange through system generated Email and SMS.

Client Funds Withdrawal

1. If Client's Profile is not approved and IBAN is not verified, withdrawal request will be executed as per current practice till May 31, 2019
2. If Client's Profile is approved and IBAN is verified, funds withdrawal request will be initiated through Client portal. Upon broker's approval, successful withdrawal request will be directly credited into Client's designated bank account within two banking days.
3. If a request remains unapproved for more than a day, the client should contact respective broker. The client can also view the status of withdrawal request by accessing trader funds details report in the client portal.
4. In case the client is unable to initiate withdrawal request, the broker can initiate withdrawal request on client's behalf having approved profile and verified IBAN form CSR. The successful withdrawal request will be directly credited into Client's designated bank account.
